Support Studio Honors, *The Magic of Community!*

Dear Studio Friend,

We invite you to share in celebration and support of a tremendous milestone for the Studio@620 – our 10th anniversary! With your help, this will be our very best year as we continue our unique programming and the **Studio Honors**, which we are growing into the largest and most exciting evening in its seven-year history. This year's event will be held on Saturday evening **November 1, 2014** for the first time **at the historic Coliseum**, the perfect gathering place to embody the magic of the Studio and the wonderful people in our community. Under our new theme, ***Magic of Community***, we are already building excitement for an evening filled with surprises.

We ask for your sponsorship of this evening to help us create one of the hottest annual community celebrations anywhere! The enclosed sponsorship package offers value and recognition at every level, but the greatest benefit is the rewarding feeling of knowing that you or your organization is fostering a local treasure and helping to keep the Studio @620 accessible to all. By sponsoring Studio Honors, you are also making a statement that you believe in our community and in the Studio@620.

Along with honoring you and many others like you, Studio Honors shines a spotlight on a diverse group of special people whose intellectual, artistic/cultural, scientific, economic accomplishments are woven in the social fabric of our community and beyond. Included is a list of this year's five outstanding recipients and the Ola Mae Jones Emerging Artist of the Year. We are also honoring the work of the Studio@620, those who support us and raise funds for the Studio's programs. We enjoy living our informal mission - "the answer is always yes!"

Your gifts are tax-deductible as a charitable donation and our gratitude is eternal. Through the celebration of Studio Honors and support of the Studio@620, together we will experience the *Magic of Community!*

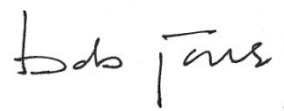

With great appreciation,
