Support Studio Honors, *The Magic of Community!*

Dear Studio Friend,

We invite you to share in celebration and support of a tremendous milestone for the Studio@620 – our 10th anniversary! With your help, this will be our very best year as we continue our unique programming and the **Studio Honors**, which we are growing into the largest and most exciting evening in its seven-year history. This year's will be held on Saturday evening **November 1, 2014** for the first time **at the historic Coliseum**, the perfect gathering place to embody the magic of the Studio and the wonderful people in our community. Under our new theme, *Magic of Community*, we are already building excitement for an evening filled with surprises.

We ask for your in-kind support of imaginative offerings - eclectic food, drinks, prizes and help with some of the most unique visual and performance entertainment we can dream up – to create one of the hottest annual community celebrations anywhere! By making a commitment to Studio Honors, you are also making a statement that you believe in our community and in the Studio@620. Along with honoring you and many others like you, Studio Honors shines a spotlight on a diverse group of special people whose intellectual, artistic/cultural, scientific, economic accomplishments are woven in the social fabric of our community and beyond. We also honor the work of the Studio@620, those who support us and raise funds for the Studio's programs. We enjoy living our informal mission - "the answer is always yes!"

We are pleased to announce the Studio Honors award recipients, 5 outstanding couples, 10 Honorees – Peter & Dr. Suzy Betzer, Larry Biddle & David Warner, Dr. Kenneth & Dr. Nancy Bryant, Jeanne & Peter Meinke, Mimi & Richard Rice, along with the Ola Mae Jones Emerging Artist of the Year – Cassidy Routh, and a special dedication to Dave & Astrid Ellis, co-founders of the Studio.

Of course, your in-kind sponsorship will receive recognition commensurate to the value of your gift. We are seeking a broad array of commitments for a hopeful crowd of 400-500 in an open party atmosphere, including food & beverage, entertainment and artistic contributions, auction items/packages.

Your gifts are tax-deductible as a charitable donation and our gratitude is eternal. Through the celebration of Studio Honors and support of the Studio@620, together we will experience the *Magic of Community!*
