2018 Studio@620 Quinceañera 15th Birthday Group Exhibition

ABOUT THE EXHIBIT: To celebrate The Studio@620's 15th Anniversary, The Studio is holding a Quinceañera celebration. To compliment this event, a group exhibit themed around the Latin American tradition of a Quinceañera will be presented. Quinceañera is the Spanish word for a girl who is 15 years old. Among Latinos in the United States, Quinceañera also is the name given to the coming-of-age celebration on a girl's 15th birthday. The Quinceañera has its origins many centuries ago when both boys and girls participated in rites of passage. Artwork that reflects on the themes of coming of age, Latin America, the landscape, wildlife, or other natural elements of the Sonoran Desert, the south western United States or Mexico, Mexican folk art, the number 15 or other relevant interpretation of Quinceañera is preferred however other themes will also be accepted for display. The Studio@620 reserves the right to reject any artwork that is deemed offensive or inappropriate for our community audience.
